Eligible Programs **Potential Programs** **Enrollment Dashboard**

Public Sector Partner Program	Cisco Select, Premier, Silver or Gold Certified Partners are eligible to enroll in the PSPP. PSPP has been developed to provide its eligible partners with special pricing when selling to Cisco's Public Sector customers. The program is designed to provide an appropriate level of discount for a partner, dependant on certification level, so that they may competitively position Cisco's products and solutions in a highly price sensitive marketplace (In Europe Only). For additional information about the program more...	Profitability And Practices	Enroll
Value Incentive Program 30	The Value Incentive Program (VIP) rewards partners that focus their practices on advanced and additional technologies that are part of Cisco network architectures such as Collaboration, Data Center, E more...	Profitability And Practices	Enroll
Metapod	Cisco Metapod delivers a true public cloud experience for users on your premises and behind your firewall. It offers full administrative control. It's a production-ready, OpenStack-based solution that more...	Promotional	Enroll
SaaS Subscription Resale Program	The SaaS Subscription Resale Program is to define the partner requirements and benefits of selling and supporting SaaS offers including but not limited to WebEx, Spark, Spark Flex, Business Edition 4k more...	Promotional	Enroll
Try And Buy	Try And Buy program defers Booking, Revenue, Invoice & COGS for the duration of the trial period.	Promotional	Enroll
Partner Support Service	Partner Support Service (a Collaborative Technical Support service) provides qualified partners with a comprehensive set of technical capabilities that you combine with your own services expertise to more...	Services	Enroll

Program Rules

Cisco Partner Confidential

Cisco Value Incentive Program Agreement: Period 25

To register for the Value Incentive Program with Cisco, your company must accept the terms and conditions of this Cisco Value Incentive Program Agreement: Period 25 (the "Agreement"). This Agreement applies to Registered Partners that are "Resellers" or "Cloud and Managed Services partners" as defined in Section 3 below.

This Agreement is entered into by and between the company you identified in the applicable Partner Registration Application ("Partner") and Cisco. For purposes of this Agreement, Cisco is defined as follows:

If Partner's principal place of business is located in Canada, "Cisco" is defined as Cisco Systems Canada Corporation having its principal place of business at 181 Bay Street, Suite 3400, P.O. Box 802, Toronto, Ontario M5H 3B7, Canada.
